Specifically the prior art does not disclose the following limitation: first receiving means for receiving said changing information; and second receiving means for receiving said changing information in synchronism with first receiving means as cited in independent claims 1, 2, 32, 54 and 55; and advising means for advising the interested subscriber of the received changing information cited in independent claims 25-28, 47, 48 and 50.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
